- No student is allowed to wear lifeguard and/or surf lifeguard uniforms including lifeguard hats.
- Could parents please ensure that their child's clothing they are wearing on the day is named.
- Swimmers are required to wear proper swimwear. This includes full brief bathers, swim shorts, speedos or rash vests

Students are to arrive to school in their PE uniform. Students who wish to get changed into their 'dress up' outfit are to do so at school. Students may wish to have their swimming outfit underneath their PE uniform or get changed for swimming events at the Kardinia Pool on arrival.

Please ensure your daughter/son attends in a "Sunsmart" way – sport uniform with hat and sunscreen applied.

PHOTOGRAPHY/MOBILE PHONE USAGE: As part of the terms and conditions associated with the College hiring the Kardinia Aquatic Centre, we remind both students and parents that any form of "Photography, Video or DVD recording" within the centre is prohibited.

CANTEEN: The canteen will be accessible for students this year at certain times throughout the day. No glass can be brought into the Centre. No food is to be ordered / delivered from 'outside' eg pizzas, fish and chips.

We trust that all students will have an enjoyable day and make the most of the activities offered. The official **Event Program** is also included on this form but maybe subject to late minute changes if required.

I sincerely hope that all students enjoy the day! There is a wide range of events on offer for the students to be involved in and I am looking forward to seeing as many students swimming as possible.
