

FORTNIGHTLY UPDATE 09.09.2022

SAINT IGNATIUS COLLEGE | MACKILLOP SENIOR CENTRE

Plan Group are proud to present our first update for the Saint Ignatius College MacKillop Senior Centre!

Our subcontractors and project team have been busy over the past week completing our site establishment & commencing the site strip & bulk excavation works for the structural pad of the building. Major trades such as electrical, plumbing, civil & excavation, lift, concreting, and precast packages have all been awarded with much of the structural design detailing and co-ordination complete.

We have also been working hard on preparation for the ground slab foundations and concreting.

COMPLETED TASKS

- Dilapidation survey of site
- Survey of building pad & existing services
- Site establishment & set-up

UPCOMING TASKS

- Ongoing civil & excavation works
- Ground level footings & concrete preparation
- Ongoing services co-ordination
